

The Best of Kamchatka all in one Trip - Bears, Volcanoes, Ethnic People, Reindeer Herders

KK-08

Once, it was a military zone off limits to the outside world, its secrets and way of life hidden from visitors. Now, Kamchatka is now one of Russia's most enchanting and awe-inspiring regions. This August expedition packs a lot into its seventeen day itinerary, showcasing the very best of Kamchatka's abundant wildlife and dramatic physical landscapes. Utilising helicopter transport to get us deep within the territory, we'll visit active and dormant volcanoes, steaming fumaroles and geyser fields, bubbling mud pools, hot and cold water streams and remote mountain lakes. We'll watch brown bears get their claws into leaping salmon and crane our heads to watch the Steller's sea eagles, one of the world's most impressive birds of prey, as they soar across the vast sky above us. We'll get to know the local people herding huge herds of reindeer in a practice that has changed little in centuries. Camping out will give us the opportunity to commune with nature and get to know these fascinating people better.

Please do not worry that your application will be unsuccessful (unless you have had any immigration issues with the relevant authorities in the past). All our tourists get their visas.

All nationalities require a full passport valid for at least six months beyond the intended length of stay. Please also make sure there are enough blank pages in your passport: Russian consulate requires minimum two blank pages.

We have in-house visa teams in the UK, USA, Germany, France and Spain. Upon your booking we will email you detailed guidance notes how to fill in the visa forms and what additional documents depending on nationality and your immigration status will be required. You will need to post your application pack to our visa processing office including your original passport. Please allow about two - three weeks for each visa application to be processed. The actual visa processing times are published on our website. Please advise us if you require your passport urgently, we can arrange urgent processing for an additional charge.

Non-UK, USA, Germany, France, Spain residents

If you are not resident in the above countries, we will issue official paperwork and email the required documents to you. You will need to apply for your visa at the local consulate.
